

We're so thankful you're considering becoming a sponsor of ALF's upcoming gala, **An Immersive Night in Roatán!** We see that your business is an important part of the community, and what better way to elevate your company's local profile than by sponsoring a nonprofit doing impactful work! ALF is an organization that is working to create opportunities for Hondurans through affordable housing and education. Last year, we were able to provide homes for 19 families, train 135 students in English literacy, and saw over 10,000 people visit our library and computer lab.

This work is incredibly important to our community, and relies on the generosity of individuals and corporations such as yourself.

We are hosting an event, **An Immersive Night in Roatán**, on November 11th in order to raise critical funds to support our community of Hondurans. I think you would be an ideal sponsor to partner with us and make a real difference!

By becoming a sponsor, you will be able to:

- Raise your company's profile
- Reach more than 150 of our supporters in person
- Gain access to more than 1000+ supporters through social media
- Demonstrate your impact in our community
- Network with other businesses

But most of importantly, you will make a huge impact in the lives of thousands of deserving individuals and families

Will you partner with us in sponsoring "An Immersive Night in Roatán" today? I've attached a flyer with more information for you to review.

Thank you and I look forward to hearing from you soon!

Gratefully,

Through affordable housing, scholarships, English literacy, and community resources like our library and computer lab we've helped families find stability, supported students on their educational journeys, and created spaces where the community can learn, grow, and thrive.
